## COVID 19 Policy and Safety Agreement

Recreation and Fitness Resources and the School District of Bayfield do not assume responsibilities for accidents or injuries. All persons using this facility do so at their own risk. Wisconsin Statute 895.525 I understand that in order to use the facility at this time, there are additional rules to protect the safety of patrons and staff. These are set in accordance with CDC COVID 19 safety guidelines. Failure to comply will result in a suspension of my membership and I will not be admitted to the facility until these measures are no longer required. I agree to:

- Provide current contact information in case I need to be contacted by RFR or Bayfield County Health Dept.
- Register with the front desk each time I visit the facility.
- Wear a mask covering both mouth and nose entering and exiting the facility.
- Use hand sanitizer upon entering the facility and wash my hands before and after my workout.
- Practice social distancing while I am on the RFR premises.
- Clean/Sanitize all surfaces of my workout station/machine both before and after I exercise.
- Not visit the Bayfield Rec Center if I am ill or show symptoms including cough, fever and shortness of breath. I will return only when I am symptom free.

I understand that at this time:

- Access to fitness/weight equipment is limited to up to 1.5 hr/day. Lap swim is limited to 1 or 2 half hour blocks. Program space must be reserved but it can include multiple program areas (half hour in one area, then half hour in another area). Sign ups can be made up to 48 hours in advance: at the desk, by phone or online (if available).
- Under the age of 14 will not be allowed into the building during Phase 2.
- RFR Programming held off site may have slightly different parameters.
- RFR staff has the right to refuse service to anyone exhibiting symptoms or not following facility guidelines.

I have read and agree to abide by the above statements & protocols during Phase 2 of RFR Reopening.
